## Standards Review

Each contestant will have 30 seconds to model their casual wear outfit. Contestants may create their own routine or use the X's on stage. Only props that can be carried and are part of the outfit (eg. umbrella, golf club, purse, etc.) can be used during the casual wear presentation. Upbeat modeling music will be played for all Casual Wear contestants. There is no option to submit custom music.

Judges should be evaluating the modeling ability, wardrobe choices, and whether the contestant exhibits a confident and charismatic personality and obvious enthusiasm for their choice of outfit.
